SPONSORSHIPS

This year, the FICPA Scholarship Foundation will celebrate the 33rd annual race in April with a virtual run across the state of Florida. The annual event has tremendous support and has become a great opportunity to get out behind the computer and exercise while contributing to a very worthwhile scholarship fund.

Sponsoring the 1040K Run makes it clear to the CPA community that you care about tomorrow's accounting and CPA leaders, and your support directly benefits young accounting students in need. (3) Three \$3,000 scholarships will be given in honor of Lewis Davis, Miami-Dade County's first African-American CPA.

Sponsor the 1040K Run and make your brand a memorable part of the experience.
